

Smile Farms and Independent Group Home Living celebrate the opening of Holly's Guest House.

Dear Friends,

As 2018 comes to a close, we reflect on the progress we have made together, and we are so grateful for your continued support of Smile Farms. It is because of your commitment to create jobs for people with developmental disabilities that Smile Farms is able to help close the significant employment gap that affects many adults with differing abilities.

This year has been especially meaningful as it marked the opening of our seventh Smile Farms location at Holly's Guest House in Moriches, NY where family and friends of Independent Group Home Living (IGHL) residents can stay when visiting.

First, we thank the extraordinary organizations who we're proud to call our partners. Second, we thank our volunteers who give their hearts and energy to our farms. Without our generous volunteer force, we would not be the organization we are today. Third, we thank the leadership of our Board of Directors, friends and supporters whose ongoing generosity makes our work possible. We are grateful to every one of you and so proud of all that we have accomplished together.

On behalf of the hundreds of lives you have profoundly affected, we extend our best wishes for the upcoming year. Thank you for the generous spirit that is demonstrated in your continued support.

Happy New Year!

The Smile Farms Team

THANK YOU TO OUR PARTNERS!
